Possible construction will continue on Thursday and Friday, December 22, 23.

Scheduled construction for the week of December 26, 2016 – December 30, 2016

No construction on Monday, December 26, 2016 (Holiday Observed).

December 27, 28, 29, Tuesday, Wednesday, and Thursday, foundation work at various locations will continue on Route 82 (El Camino Real).

No construction on Friday, December 30. (Holiday Observed).

Scheduled construction for the week of January 2, 2017 – January 6, 2017

No construction on Monday, January 2, 2017 (Holiday Observed).

Foundation work will continue in various locations from Tuesday, January 3, to Friday, January 6, 2016.

CONSTRUCTION UPDATE

Crews will work in various locations between the hours of 9:00 A.M. to 4:00 P.M. Monday through Friday. (Weather permitting) Some night work will be required.

One lane will remain open at all times on State Route 82 (El Camino Real) in both directions during construction. Motorists should allow for extra travel time and expect minor delays. Changeable Message Signs will be in place to warn motorists of this work.

Scheduled completion date of construction is end of June 2017.

NOTE: Residents and Businesses may notice increased noise from mandatory backup alarms while the contractor is working in the construction zone.
